

Besides being suitable for car owners it can be used for storage of boats and caravans. It is an ideal structure for storage in factories, workshops, warehouses and on farms and smallholdings.

Construction is of a strong Flocoated tubular steel having five ridge bars with corner supports as can be seen in the cutaway,

The Covering can be of either Polyethylene, Heavy Nylon or Canvas with webbing reinforcements and ties for attachment to frame, it is fitted with two zips either side at the front. Extra zips can be fitted POA.

Windows can be inserted on request, made from Clear View at an extra charge of £100.00 per window.
